

# GOOD IDEA?

If you're ready to DO something about the good idea you've been dreaming about, this grant might be a good place to start. If \$500 would give your idea the boost it needs to get off the ground, fill out this form. We are looking for a good idea that is personally fulfilling and will have a positive impact our community.

## THE REQUIREMENTS ARE AS FOLLOWS:

1. You must be present at the Fulfillment event and submit this form at the end of the event
2. Your idea must be ORIGINAL (never been done before or it's not an existing company or organization)
3. Your idea must be personally fulfilling (makes you COME ALIVE!)
4. Your idea must have a positive impact on the community
5. Your idea must within reach (something that you can make happen within 6 months)
6. The \$500 grant will make a big difference in getting your idea off the ground

The week following Fulfillment, we will read through each submission. For us this is both exciting and challenging. After all, choosing a favorite idea is like deciding who the favorite child is. Not easy. However, as coaches and entrepreneurs, we are trained to see what is realistic, possible and beneficial. We believe that everyone is creative, resourceful and whole. Your ideas are equally as powerful!

If you are not chosen for the grant, know that we are committed to help you succeed and move towards a life of fulfillment as coaches and community advocates.
